CAREER COUNSELLING

Title: **INSIDE – INSERIMENTO INTEGRAZIONE NORDSUD INCLUSIONE**

Type of resource: Project

Country: Italy

Language: English and Italian

Short Description

The INSIDE (*Inserimento Integrazione Nordsud Inclusione*) project aimed at strengthening the access to the labour market for beneficiaries of international protection. The project, funded by the National Migratory Fund (*Fondo Politiche Migratorie*), is targeted for beneficiaries of international protection accommodated in the SPRAR network (*National System for the Protection of Asylum Seekers and Refugees*).

The main objective of the project was the realization of 672 Personalised Intervention Plan (PIP) by offering active labour market services based on skills and needs emerged in a first phase of profiling. In addition, the recipients received services focused on career guidance, tutoring, training, coaching and support for job searching. The activities were realized in strong cooperation with the SPRAR network.

Title: **“LABOUR INTEGRATION NETWORK FOR INMIGRANTS SELF-EMPLOYMENT”**

Type of resource: Program

Country: Spain

Language: Spanish

Short Description

The “Labor Integration Network For Immigrants Self-Employment” was born to improve and provide imaginative and coherent alternatives of self-employment in Valencia (Spain), due to the phenomenon of the economic crisis and to its most tragic consequences: the unemployment of migrant population and, in consequence, the economic and integration difficulties in society. This program was born to work with immigrants at risk of exclusion and high degree of socio-economic and psychosocial vulnerability in the Valencia.

The program aims to offer to the participants personalized tutorials to help them to find their self-employment business ideas. Also, the program aims to orientate immigrant in getting viable projects ideas and to carry out a business plan to achieve their labour goals.

“Asociación Por Ti Mujer”, through this program, aims to prevent risk such as social exclusion and marginality, through coordinated work in Valencia, Alicante and Castellón (Valencia Region) to motivate and promote the self-employment as a personal and professional option to achieve the total integration in the associative and participative life in Valencia Region.

Title: **MIGREMPower**

Type of resource: Project

Country: Spain, Austria, Germany, Cyprus, Italy and France

Language: Spanish, English, French, Greek, German and Italian

Short Description

“Migrempower” is a project that aims to support migrants and refugees in their integration efforts and to promote better coexistence within their new host communities, municipalities and states. The project involves 8 organizations belonging to 6 countries of the European Union (Spain, Italy, Cyprus, Germany, Austria and France), involved in actions aimed at achieving the following results: (a) acquisition and development of social and civic competences of the beneficiaries of the project involved (migrants and / or refugees), promotion and strengthening of their social cohesion, right of active citizenship and respect for human rights, (b) acquisition / reinforcement of methodological tools and intervention by professionals working with migrants and / or refugees to undertake with them a path focused on orientation, skills assessment, self-assessment and empowerment, (c) Exchange of good practices among partner organizations in order to increase their knowledge and skills and acquire new methodologies.

The partners involved in “Migrempower” project, achieved the project objectives by carrying out the study on policies and good practices addressed to migrants and refugees’ social and labour integration, in order to analyse what has been already implemented and how to learn from past experiences; developing methodological and intervention tools and didactic materials for promoting migrants and refugees’ social and labour situation; testing the intervention tools, guidelines and training materials.
