INTEGRAL INTERVENTION WITH MIGRANTS: EXAMPLES FROM PUBLIC ENTITIES

Title: **C.A.R – REFUGEE RECEPTION CENTRES**

Type of resource: Institution

Country: Spain

Language: Spanish

Short Description

The Refugee Reception Centres (C.A.R.) are public establishments that provide accommodation, food and psychosocial assistance to asylum seekers in Spain or who obtain the status of refugee or displaced people in Spain.

The C.A.R. offer the following services to the beneficiaries, with the aim to allow the beneficiaries to solve their personal or family needs, as well as providing them with the adequate resources to ensure their greater personal autonomy and their future social integration:

- Accommodation and temporary maintenance.
- Information and advice on the new situation.
- Guidance for their incorporation into the educational, health and social system.
- Psychological attention.
- Specialised social care and management of complementary economic aid.
- Development of courses for learning the language and basic social skills.
- Orientation and intermediation for professional training and labour insertion.

Title: **CEPI – Centers of Integration and Participation**

Type of resource: Institution

Country: Spain

Language: Spanish

Short Description

CEPI are centres that aim to promote the integration and participation of migrants in Madrid Region, through activities with limited places. These activities are completely free of charge and the social and labour insertion activities are 50% co-financed by the European Social Fund within the framework of the Operational Programme of Madrid Region.

In Madrid Region there are a total of 8 centres distributed throughout the region (Usera, Tetuán, Alcalá de Henares, Alcobendas, Collado Villalba, Leganés, Arganzuela and Chamartín). These centres offer the following activities:

- Information and Orientation
- Training and career counselling
- Information sessions on self-employment and entrepreneurship
- Spanish language courses
- Activities with minors and other services

Some CEPIs also develop a training program called “Know your laws” to provide knowledge about the Spanish society and facilitate their integration.

Title: **IMEPE**

Type of resource: Public Institution

Country: Spain

Language: Spanish

Short Description

IMEPE is an autonomous body of the Alcorcón Town Council (Madrid Region), which offers the following services (both to Spanish natives and to migrants):

- Placement Agency.
- Labour Orientation and Employment Club.
- Training.
- Attention Service for Entrepreneurs.
- Trade Services.
- Business Centre.

Services aimed at the population are completely free of charge. The main objective of IMEPE is to favour the employability of people, through individualised itineraries of labour insertion, as well as through training courses adapted to the needs of users (Active Job Search Courses, Digital Tools for job search, preparing recruitment and selection processes, labour promotion, etc.).

Regarding the training activities, the following services should be highlighted:

- Youth Guarantee Programme
- European erasmus+ programme
- Practices in IMEPE
- Collaboration with other educational and youth organizations
- Training and employment programme
